

BE PART of the WEST END COMMUNITY PLAN!

We're creating a new community plan for the West End to provide a clear and flexible framework that will guide positive change and growth in the area. During Phase 1 this spring and summer, we heard from many residents on topics such as housing, land use, transportation, social issues and how to meet the needs of the area, Vancouver as a whole and the region.

Join us at our Phase 2 drop-in open houses. We'll go over what we heard in the first phase and let you know how you can get involved in the policy development in Phase 2. It's your chance to help plan the future of the West End.

Wednesday, October 24, 4 - 7 pm

Sands Hotel, 1755 Davie Street,
Capilano Room

Saturday, October 27, 11 am - 2 pm
